Reasons for Allowance

The following is an examiner's statement of reasons for allowance: The correction in this reissue application has been made by claiming foreign priority for PCT/US98/05615 under 119 (a)-(d). The reason it is a foreign priority for PCT/US98/05615 is that Applicants had not designated the U.S. as one of the designated countries.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
